IMPRISONMENT

As to count one of the indictment, it is ordered that the judgment entered on November 19, 2009, is amended to provide that defendant is committed to the custody of the Bureau of Prisons for a term of 24 months.

In all other respects, the judgment remains as entered on November 19, 2009.

I recommend that defendant be afforded the opportunity to participate in the Bureau of Prisons' 500-hour residential drug abuse program during his term of imprisonment and that he be afforded prerelease placement in a residential re-entry center with work release privileges. I would encourage his active participation in job training and in working to obtain his GED.

Defendant is neither a flight risk nor a danger to the community. Accordingly, execution of the sentence of imprisonment only is stayed until December 28, 2009, between the hours of noon and 2:00 p.m., when defendant is to report to an institution to be designated by further court order. The present release conditions are continued until December 28, 2009.

- 4) Abstain from the use of alcohol and illegal drugs and from association with drug users and sellers and participate in substance abuse treatment. Defendant shall submit to drug testing beginning within 15 days of his release and 60 drug tests annually thereafter.
